

North Bellmore Civic Association

MINUTES

Meeting Date: March 13, 2006

The North Bellmore Civic Association meeting started at 7:15. After Chris Szatmary led in recitation of the Pledge of Allegiance and Fran Branca read minutes of previous meeting, Police Officer Ken Murray spoke. Officer Murray said does not get actual statistics anymore and referred us to the county website to check outstanding burglaries (<http://www.police.co.nassau.ny.us/stats.htm>). Officer Murray talked about not opening your doors if someone comes to door and you do not know person. He recommended asking for Identification. He also said there were a few criminal mischiefs. Lastly, he discussed determining where speed signs go and zoning.

Christine Cook, N.B.C.A. Treasurer. said how much money is in the North Bellmore Civic Association fund. She also mentioned that the Association had three renewals of membership and one new member.

Steve Kozlowski talked about the Jerusalem Avenue Beautification Project. He said it is all on track. The clock tower is not in bidding at this point. Everything has been submitted to Stop and Shop.

With regard to cell tower - the fire department has not signed anything at this point. There will be no mass antenna poles. Mr. Nunez said commissioner will come to meeting if there is new information. Nothing has been decided as yet. He said the telephone company can also decide to use other area.

There was a lengthy discussion about homes on Maple Avenue plus meeting at town hall on April 04, 2006 to evaluate what type of homes plus will be built plus the elimination of the recreation center and the swimming pool. Mr. Nunez, Mr. Kozlowski and Mr. Reinhardt participated in the discussion. There were also questions from people in the audience.

Mr. Nunez also mentioned vote on library budget on April 04, 2006.

Mr. Denenberg gave Nancy Podolski a special certificate plus a special day was declared for Nancy for brave act in saving child at Newbridge Road School.

Mr. Reinhardt gave a presentation about the sanitation department and what contaminates our water - animal waste, too much fertilizer. He also tried to educate gardeners that too much water is not good.

You can visit the Town of Hempstead website at www.toh.li

Meeting adjourned at 9:00pm.
